

To Say I Love You (Wedding Song)

Music and Lyrics by James R. Howard

All my life, I have waited
For someone like you
And we my love, will live together
Forever I will love you

(Interlude)

And on this day, I stand before you
To say how much you mean to me
To say I love you, to say that I love you
To say that I love you

(Chorus)

The birds sing it, it echoes thru the valleys
I'll love you, forever and a day
Spring time brings it, you're the sunrise in my morning
You're the sunset, of my beautiful day

(Interlude)

And on this day, I stand before you
To say how much you mean to me
To say I love you, to say that I love you
To say that I love you

(Chorus)

The birds sing it, it echoes thru the valleys
I'll love you, forever and a day
Spring time brings it, you're the sunrise in my morning
You're the sunset, of my beautiful day
